

Partners in Progress 2018

Charlotte DeSoto Building Industry Association has a program we call “Partners in Progress.” We would like to offer to each of you the opportunity to participate in this program and become a CDBIA Partner in Progress.

Partners in Progress was created to help us fund our new building and has now evolved into a program that assists us with the upkeep of our beautiful building and promoting the Association while giving our members the highest level of exposure throughout the community.

How would you as a member benefit as a Partner in Progress? We have put together the following the benefit packages. The package you select will determine your level of exposure.
