

We are Taking the Pledge to Stop the Spread of Novel Coronavirus on Southwest Florida's Construction Sites

PERSONAL RESPONSIBILITIES

Workers with CDC designated symptoms such as fever, cough, shortness of breath, sore throat, body aches, chills, or fatigue are to stay home and not report to work. Workers exhibiting these symptoms are to be sent home immediately.

MANDATORY PHYSICAL DISTANCING

Meetings

- All workers are to maintain 6' of separation
- No gatherings of more than 10 people when required to meet even when conducted outside.
- For stand-down meetings, disseminate information electronically and have each trade conduct the training on their own in groups not to exceed 10.
- Common water coolers have been prohibited.
- Prop doors open when safe to do so.
- Do not stack trades in the same space.

Hoists and Elevators

- Employees limited to 6 people on buck-hoists to maintain maximum distance.
- Employees limited to 4 people on elevators to maintain maximum distance.
- Hoist/Elevator operators are provided and wear gloves.
- Hoists/Elevators are sanitized daily.

USE HAND WASHING STATIONS/SANITATION

- Employees should wash their hands often in the wash stations installed and maintained at building entrances, food truck areas as well other strategic areas near offices, trailers, and job site egress areas.
- Encourage and direct employees to wash hands at breaks and as frequently as possible.
- Gloves are required for all trash removal.

LUNCH TRUCKS AND PHYSICAL DISTANCING

- All lunch trucks should use servers for bulk food trays; no self-serve from food trays.
- Food items are to be individually wrapped when possible.
- Employees to bring their own lunch as much as possible.
- Physical distancing protocol shall be in use during all Lunch Time & Breaks.
