

In an effort to decrease potential exposure to COVID-19, and keep our staff and customers safe, the DeSoto County Development Department respectfully requests that you utilize our online Customer Self Service (CSS) portal for as many of your development needs as possible.

You can use the CSS portal to:

Apply for Zoning Verification Certificates

Apply for Right of Way Permits

Apply for many types of Building & Trade Permits

Pay related fees & invoices

Schedule Inspections

View Inspection Results

Search Public Records

The CSS portal is optimized for use with Internet Explorer and may not work well with other browsers. Please visit our CSS portal here:
