

FRIENDS OF FHB PAC

One of the most powerful ways the Florida Home Builders Association (FHBA) impacts the construction industry is in the halls of the Capitol. Every year, we meet with State Legislators to make your voice heard on issues important to you. Whether it's fighting unnecessary fees or seeking ways to stop burdensome regulations, FHBA is the leading builder advocate in Florida.

FRIENDS OF FHB PAC PROVIDES THE FOUNDATION FOR OUR EFFORTS. Friends of our PAC provide the financial support necessary to elect candidates who share our ideas and understand building is a vital part of Florida's economy. You can help us hammer home our message and ensure you are well represented before the Florida Legislature.
